SOUTH AUSTRALIA.

ADELAIDE, Wednesday.

An application has been forwarded to the Government by the board of management of the Australian Native Association for permission to form a third corps in connection with the organization to be attached to the 1st battalion of infantry.

The Marine Board has arrived at a decision in connection with the collision of the Port Pirie River steamer Doro and the barque Hellen on the night of May 2, the inquiry into which was held on May 29 and 30, 1899. It was decided that the barque Hellen was to blame for the collision, and that the barque Hellen was to be fined £100.

The Government, he says, is supporting 15 per cent. of the population of British India, and 6 per cent. of the population of the Native States.

It is anticipated that the Government will spend £20,000,000 in relief.

A WELCOME RAINFALL.

LONDON, June 13.

There has been a monsoon on the Malabar coast and northwards. Rain has fallen in Decan and in the Central Provinces.
